**Timetable PhD program WiSe 2024/25 – Second week of lectures  
(January 13, 2025 - January 17, 2025)**

Module 9 is the compulsory elective module and consists of the following teaching units of 45 minutes each:

1. Modules for all doctoral students in accordance with the doctoral regulations (**4 teaching units** of 45 minutes each).
2. Elective modules (freely selectable **31 teaching units** of 45 minutes each).

Module 9 does not have to be completed in the period from January 13, 2025 to January 17, 2025. It can be completed during the 3 years of the PhD program. Proof of participation in events, work shadowing, preparation and follow-up of scientific sessions, lectures, conducting exercises and seminars, participation in the Day of Research at the UKE, etc. must be submitted to the PhD program coordination ([epicr@uk-essen.de](mailto:epicr@uk-essen.de)) for recognition of the compulsory elective module.

To attend the lectures, please register with Dr. med. Katrin Schuldt: [katrin.schuldt@uk-essen.de](mailto:katrin.schuldt@uk-essen.de).
