Timetable PhD program WiSe 2026/27 – Second week of lectures

Module 9 Elective courses

(January 18, 2027 - January 22, 2027)

Module 9 is the compulsory elective module and consists of the following teaching units of 45 minutes each:

1. Modules for all doctoral students in accordance with the doctoral regulations (**4 teaching units** of 45 minutes each).
2. Elective modules (freely selectable **31 teaching units** of 45 minutes each).

Module 9 does not have to be completed in the period from January 18, 2027 to January 22, 2027. It can be completed during the 3 years of the PhD program. Proof of participation in events, work shadowing, preparation and follow-up of scientific sessions, lectures, conducting exercises and seminars, participation in the Day of Research at the UKE, etc. must be submitted to the PhD program coordination (epicr@uk-essen.de) for recognition of the compulsory elective module.

To attend the lectures, please register epicr@uk-essen.de.
